THE CRAFT

Cut, carved and hand-finished

Jaipur has worked in stone for generations. Our artisans select natural marble and cut it to shape, carve and turn each form, then polish the surface by hand until the veining shows. Every piece is finished and inspected before it ships, so the stone is smooth, stable and ready for kitchens, bathrooms, hospitality spaces and retail shelves around the world. Because the stone is natural, no two pieces share the same colour or pattern.

NATURAL MARBLE · HAND-CARVED AND POLISHED FINISHES

02 **Cut & Carve**

03 **Polish**

Quality inspection for finish, stability and detail before packing.
